

Comberton Crusaders FC

26th January Histon 0-1 Comberton

A very good performance to gain our first ever victory over Histon.

We drew with them 0-0 a few weeks ago and this was as close a game again.

Many weeks have passes with us having the better of chances but losing.

This week it was the opposite with Histon hitting the post/bar on 3 occasions. But for 2 outstanding saves from our two keepers of the day, Ross Isbister and Olly Aldridge it could have been different.

We defended well again and are fast becoming hard to score against.

First half was 0-0 and the play was even but early in 2nd half we had several chances which resulted in Ross Isbister unleashing a powerful shot after gathering a clearance and hitting the roof of the net from 20yds. Good goal and deserved. We then held on in the last few minutes after Histon hit the post.

Good win and still improving but the boys seem to tire at the end and so need to work on fitness

Kenny
