1<sup>st</sup> December – U10 Boys 4-1 v U9

## Man of Match – Adam Ganczakowski

Our second friendly and a quickly arranged game v our under 9s due to Cambourne calling off late in the week.

A very competitive game against two evenly matched sides and the result only secured near the end of the game.

Goals from Adam who scored twice, and played as well as I have ever seen him play and also two from Grant who really controlled the game set us up for victory.

Watch out for revenge for the 9s on 12<sup>th</sup> Jan in return match. This game also gave the under 9s a chance to play on a bigger pitch in time for next season.
