

# Comberton Crusaders FC

## Match Report

**S-Tech Cambridgeshire Girls League U11s** 1 May 2010

Alconbury 0 Comberton Crusaders 2

Following last weeks close match between these two sides the return match at Alconbury promised to be another good game.

Comberton had played well the week before but had not been able to score the goals needed to claim any of the points. This weeks game proved to be an equally interesting contest and, if anything, both teams played better than the week before. With a late morning kick off perhaps the teams were more alert?

Comberton passed the ball effectively. The first goal came from good throw-in from Lucy, sending the ball over Ceyda's head for her to run on to and dribble past the Alconbury defence into the net. Alconbury were more disciplined in their positioning and made some good runs through the midfield but the Comberton defence and goalkeeping from Megan denied them any goal scoring opportunities.

Comberton's second goal came from a goal kick. Lucy kicked the ball into midfield, Ceyda ran onto the pass and neatly slotted in behind the defence for EJ to score.

With a 2-0 lead at half time the Crusaders team were not going to concede their advantage easily. Comberton and Alconbury had a number of chances and the second half was equally as gripping as the first. Comberton held on to their lead to finish the season on equal points.

This has been a very pleasing first season for this team who competed well with other new teams, as well as those who have been playing both boys and girls football in previous seasons. We look forward to enjoying the different atmosphere of a few summer tournaments followed by a rest before resuming in September.
